(As revised December 23, 1952)

A broker negotiating a transaction of a type not included in these schedules, or concerning which any question as to the proper amount of commission is likely to arise, should arrange in advance for adequate compensation for his services.

DEFINITIONS

Central Boston is defined as extending to the southwesterly lines of estates abutting on the southwesterly side of Massachusetts Avenue from the Roxbury Canal to the Charles River, and includes the area bounded by the above limits, the Charles River, Boston Harbor, Fort Point Channel, and Roxbury Canal.

Boston Suburbs are defined as including all districts of Boston outside of "Central Boston" and also Arlington, Belmont, Brookline, Cambridge, Chelsea, Dedham, Everett, Malden, Medford, Milton, Needham (except that portion between the Charles River and a line formed by the northerly boundaries of properties abutting on streets as follows: Great Plain Avenue from the Boston line to South Street; South Street to Charles River Street; Charles River Street to Grove Street and Grove Street to the Wellesley line), Newton, Revere, Somerville, Waltham, Watertown, Wellesley, Winchester and Winthrop.

Farm: More than three acres of land used chiefly for raising farm products or livestock.

Land: Vacant land not capable of yielding net income except agricultural, at the time of lease or sale.

Industrial Property: Industrial properties are those premises used for warehouse, manufacturing, garage, and wharf purposes and situated outside of Central Boston as herein defined.

RULES

Taxes Payable by Lessee. Taxes on leased premises to be paid by Lessee shall be treated as part of the rent on which broker's commission is chargeable, using the taxes for the current year when ascertainable, otherwise those for the previous year, as a basis. In case of leased premises not previously assessed, the taxes may be estimated or the assessment thereof awaited.

Long-Term Lease. On a lease for a term of more than 21 years, the commission shall be computed on the first 21 years of the term only.

Percentage Lease. The commission on a lease containing a percentage rental clause shall be computed on the minimum rental for the entire term, payable when lease is executed and delivered. The broker shall be entitled to a further commission at the end of each year of the lease, based on the percentage rental paid for that year, and at the rate as shown by the Commission Schedule for the lease year in question. In the event of a sale of the property during the term of a percentage lease, the broker shall then be entitled to a commission based upon the rental of the previous year at the scheduled rates for the remaining years of the lease.

Extension Option in Lease. When an option to extend a lease, as provided therein, is exercised the broker who negotiated the lease is entitled to receive from the lessor a commission on such extension; when such option is not exercised but the lessee remains as a tenant of the premises or a portion thereof the broker is entitled to receive from the lessor a commission on such continued tenancy during the term stated in the option; but the total commissions on the lease and on such extensions or such continued tenancy shall not exceed the amount chargeable for both considered as one term.

Cancellation Option in Lease. When the lessee has the option of cancelling a lease before the end of the stated term thereof, the commission shall be chargeable in the same manner as if the lease ran to the cancellation date with an option to extend the lease to the end of the stated term. In the case of an option to cancel, reserved by the lessor, the broker shall be entitled to a commission for the full term of the lease.

Purchase Option in Lease. In case of a lease containing an option to purchase, the broker is entitled in any event to a commission, as herein provided, for negotiating the lease. If the option to purchase is exercised, the broker is then entitled to receive from the original lessor an additional commission, if any be necessary, to make the total commissions equal a commission on the sale plus a commission on the lease up to the time of the transfer of title.

Renewal of Lease. When a broker is employed to renew a lease, he is entitled to a full commission if the lease is renewed with an increase of rent, or to a half commission if renewed without an increase of rent.

Payment for Lease, Good Will, Merchandise, Fixtures or Other Assets or for Capital Stock of Corporation. The broker is entitled to a commission of 5% of any consideration or price paid therefor and also to the regular commission on any lease thus disposed of; liabilities assumed in excess of actual assets being treated as cash payment.

Payment for Option. When an option, in the case of a contemplated sale or lease, is not exercised, the broker shall be entitled to receive one-half the amount paid for the option, or an amount equivalent to one-half of what the commission would have been on the contemplated transaction, whichever is the lesser.

Forfeit of Earnest Money Deposit. When a deposit is forfeited in the case of a contemplated lease or sale, the broker shall be entitled to receive one-half the amount forfeited, or an amount equivalent to one-half of what the commission would have been on the contemplated transaction, whichever is the lesser.

Payments of Commissions. A commission covering the full term of a lease is due and payable when fully executed leases are delivered to both parties, except as provided above for percentage leases, and cancellation and extension options. In case of a sale, the entire commission is due and payable at the time of conveyance.

AUCTIONEERS' FEES

(Unless otherwise agreed)

The scheduled commission rates on sales, based on the total price (including the aggregate sum secured by all mortgages to which the sale is subject) shall apply to all auction sales, subject to the following limitations:

1. Salesroom fees and such other expenses and advertising as are authorized by the seller shall be paid by the seller.
2. The auctioneer shall be paid reasonable compensation for services actually rendered by him if real estate advertised to be sold is sold or withdrawn from sale, previous to the advertised time of sale, or in the case of postponement, adjournment or continuation of the sale.
3. In a mortgage foreclosure sale, unless the property is sold to the holder of the mortgage or his representative, the auctioneer's fee as provided above shall be the regular commission based upon the total sale price including unpaid taxes if assumed by the buyer.
4. The minimum fee for a mortgage foreclosure sale, however, shall be 1/10th of 1% of the total price, but not less than $15.00 nor more than $100.00.

ADVERTISING

The cost of advertising specific premises for sale or to let is an expense which the seller or lessor should bear, to an amount authorized by him. A broker should, however, bear the expense of his portable signs and his general advertising.

WHO ARE REALTORS?

REALTORS are "Active" members of a local Real Estate Board which is affiliated with the National Association of Real Estate Boards. REALTORS are licensed to use this designation by the National Association of Real Estate Boards, whose exclusive right to the term has been upheld by the courts.

When you deal with a REALTOR you obtain the services of an accepted member of a local Real Estate Board. This in itself gives assurance.

If there should be grounds for complaint against a REALTOR, you can appeal to the Board of which he is a member. This is a protection.

The standards of the National Association and of the local Real Estate Board call for integrity and efficiency on the part of their members. This means dependable service.

GENERAL RULES

All fees herein set forth are minimum fees and except for items hereinbefore enumerated are exclusive of disbursements, expenses and costs.

Nothing herein is to be construed as prohibiting an attorney from handling a matter without compensation where charity, justice or the welfare of the community shall so require.

In determining the amount of the fee, it is proper to consider:

(1) the time and labor required, the novelty and difficulty of the questions involved, and the skill requisite to properly conduct the case;

(2) wether the acceptance of employment in the particular case will preclude the lawyer's appearance for others in cases likely to arise out of the transaction, and in which there is a reasonable expectation that otherwise he would be employed, or will involve the loss of other business while employed in the particular case, or antagonisms with other clients, provided that such circumstances are known to the client at the outset;

(3) the customary charges of the Bar for similar services;

(4) the amount involved in the controversy and the benefits resulting to the client from the services;

(5) the certainty or the uncertainty of the compensation;

(6) the character of the employment, whether casual or for an established and constant client.

No one of these considerations in itself is controlling but are mere guides in ascertaining the real value of the service.

SCHEDULE OF RECOMMENDED UNIFORM RATES

(Reprinted by Permission)

Effective February 15, 1953

SCHEDULE OF RECOMMENDED UNIFORM RATES

18% on the first $500.00

15% on the next $500.00

10% in excess of $1000.00

Minimum commissions—$15.00

On claims of $30.00 or less—50%

Suit Fees:

On claims of $45.00 or more, a suit fee of not less than $7.50

On claims of under $45.00, a suit fee of one-half of the amount by which the claims exceeds $30.00, with no suit fee on claims of $30.00 or less.

The suit fee is not contingent. It is in addition to commissions. It belongs to the Receiver unless there is a division of service or responsibility between attorney forwarders and receivers, in which event attorney forwarder shall receive such portion of the suit fee commensurate with such service or responsibility.

a. The above schedule of rates represents recommended minimums and is to be used as a guide in ascertaining the value of the services performed.

b. The recommended minimum schedule is intended to apply on current commercial claims, but, on retail, or difficult claims, the recommended minimum schedule is inadequate.

c. In all cases, it is open to the parties to agree to a basis of charge greater than League rates, it being impossible for a schedule to be adopted that will satisfactorily meet all conditions.

d. $7.50 is a recommended minimum, not a maximum suit fee. Before starting suit, attorneys should always arrange that their suit fee is to be commensurate with the services rendered and the amount involved.

CONCLUSIONS

All fees herein set forth are exclusive of disbursements, expenses and costs and are believed to represent a minimum rate of compensation under ordinary circumstances as being the reasonable value of a high standard of professional service of the character indicated in each case.

In matters not covered by this fee bill, the attorney should fix a reasonable fee using the factors herein mentioned, not as a fixed rule but as a guide.

In determining charges in excess of this fee bill the following influential factors should be taken into consideration:

The amount involved in the controversy, the time and labor required, and the benefits resulting to the client from the services.

The novelty, character and difficulty of the questions involved.

Professional skill and standing of the person employed and his experience.

The result obtained is also an important factor.

GENERAL RULES

All fees herein set forth are minimum fees and except for items hereinbefore enumerated are exclusive of disbursements, expenses and costs.

Nothing herein is to be construed as prohibiting an attorney from handling a matter without compensation where charity, justice or the welfare of the community shall so require.

In determining the amount of the fee, it is proper to consider: (1) the time and labor required, the novelty and difficulty of the questions involved, and the skill requisite to properly conduct the cause; (2) whether the acceptance of employment in the particular case will preclude the lawyer's appearance for others in cases likely to arise out of the transaction, and in which there is a reasonable expectation that otherwise he would be employed, or will involve the loss of other business while employed in the particular case, or antagonisms with other clients, provided that such circumstances are known to the client at the outset; (3) the customary charges of the Bar for similar services; (4) the amount involved in the controversy and the benefits resulting to the client from the services; (5) the certainty or the uncertainty of the compensation; (6) the character of the employment, whether casual or for an established and constant client. No one of these considerations in itself is controlling but are mere guides in ascertaining the real value of the service.

All fees herein are exclusive of costs, disbursements and expenses.

In determining the amount of the fee, it is proper to consider:

(1) the time and labor required, the novelty and difficulty of the questions involved, and the skill requisite to properly conduct the cause;

(2) whether the acceptance of employment in the particular case will preclude the lawyer's appearance for others in cases likely to arise out of the transaction, and in which there is a reasonable expectation that otherwise he would be employed, or will involve the loss of other business while employed in the particular case or antagonisms with other clients, provided that such circumstances are known to the client at the outset;

(3) the customary charges of the Bar for similar services;

(4) the amount involved in the controversy and the benefits resulting to the clients from the services;

(5) the certainty or the uncertainty of compensation;

(6) the character of the employment, whether casual or for an established and constant client.

No one of these considerations in itself is controlling. They are mere guides in ascertaining the real value of the service.

Nothing herein contained shall be so construed as to prohibit an attorney from handling any matter without compensation, where charity, justice or the welfare of the community shall so require.

GENERAL RULES

77. Nothing herein shall be so construed as to prohibit an attorney from handling any matter without compensation, where charity, justice, or the welfare of the community shall so require.
78. ALL FEES HEREIN ARE EXCLUSIVE OF DISBURSEMENTS.
79. In determining charges in excess of this Fee Bill, the following Recommendations of the Massachusetts Bar Association are adopted, by this Association, viz:
In determining the amount of the fee, it is proper to consider: (1) The time and labor required, the novelty and difficulty of the questions involved, and the skill requisite properly to conduct the cause. (2) Whether the acceptance of employment in the particular case will preclude the lawyer's appearance for others in cases likely to arise out of the transaction, and in which there is a reasonable expectation that otherwise he would be employed, or will involve the loss of other business while employed in the particular case or antagonisms with other clients, provided that such circumstances are known to the client at the outset. (3) The customary charges of the Bar for similar services. (4) The amount involved in the controversy and the benefits resulting to the clients from the services. (5) The certainty or the uncertainty of compensation. (6) The character of the employment, whether casual or for an established and constant client. No one of these considerations in itself is controlling. They are mere guides in ascertaining the real value of the service.
80. The foregoing is not intended to be exhaustive, but to provide for such matters as are adaptable to the setting of minimum fees. For all other services a minimum charge shall be made in proportion to fees provided for herein in cases of similar nature so far as practicable.

In matters not covered by this fee bill, the attorney should fix a reasonable fee using the factors herein mentioned, not as a fixed rule but as a guide.

In determining charges in excess of this fee bill the following influential factors should be taken into consideration:

The amount involved in the controversy, the time and labor required, and the benefits resulting to the client from the services.

The novelty, character and difficulty of the questions involved.

Professional skill and standing of the person employed and his experience.

The result obtained is also an important factor.

In unusual circumstances the attorney may charge less than the prescribed fees.

The Name's Sake

THEY came to find a new world, since the old
Was bearable no longer. When they thought
Of England, it was sudden hoofbeats storming
Down Scrooby lanes, doors burst in, safety bought
Only through spying, treachery, informing,
Prison and persecution for the bold.

But wild northeasters made them see again
Snug Kentish halls and Yule logs' ruddy fires;
Clearing dense forests, they could not forget
Green gardens in the well-beloved shires;
They put the homesick names like Somerset,
Surrey, on alien mountain and bleak plain.

And when drouths came, or famine threatened them,
Or smoke on the horizon told of savage
Murder, they fixed their hearts upon a still
Promised land neither want nor foe should ravage,
Stamped their belief on rude town, wooded hill,
With Canaan, Bethany, Jerusalem.

January Cash Account

Date		Received	Paid

February Cash Account

Date	1/20/56 - R.E.	Received	Paid

No one knows better than yourself that your present problem as Ad. & RAP has been occasioned by the following factors:

1. Certain difficulties inherent in the orig. legn.
2. Serious delay in beginning program in certain countries in Europe & the Near East & Far East
3. Delay in providing an assurance form (DSS) to facilitate the completion of voluntary agency
4. Lack of adequate coordination to provide an efficient integrated operation including Immig. Visa Issuance, transp work of V.A.
5. Disappointment & discouragement of applicants overseas and Assurors in U.S. due to length and uncertainties of the processing period
6. Consequence slowness of assurance procurement by voluntary agencies
7. Economic & political developments in Europe & Austria
8. Earlier lack of clarity regarding the administrative intent for this Program was it permissive legislation only or was it a program to bring gift to Refugees or others.

Date		Received	Paid

Changes suggested

1. Who is eligible?

The Administrator, with the help of voluntary agencies if requested, could quickly suggest changes in certain sections where persons, clearly belonging within the program are excluded from it because of a fortuitous wording of the law.

For example (1) An escapee from Communist China who moved from Hong Kong to Germany: because he did not escape from a Communist Area of Europe he is not eligible under RRA.

X

(2) A Rumanian woman married to an Italian residing in Rumania escaped with her daus. to Italy when Communists came in power. Once back in Italy husband deserted them. Now mother is ineligible because of her Italian domicile of origin. Her daus are eligible. Yet husband could be eligible as refugee if Italy chose to.

(3) Two Poles are refugees in France; one still in France is ineligible the other now in Africa is not because he was a Fr. citizen in Fr overseas territory

(4) Iron Curtain refugees now in Syria Lebanon Iraq Kuwait Egypt & Jordan are not eligible. If they were in Iran or Turkey they would be eligible. These true refugees should be made eligible

(5) Iron Curtain refugees in Spain & No Africa comprise only a relatively small no; they should be included in our Refugee Program (Spain not a PCIJ)

THIS IS MR. STEPPINGTON

...a truly contented man

Mr. Steppington is contented because he's been visiting lately. He went to see his lawyer about making a new will. Together they called on Old Colony to talk over how best to shape his plans for the future. When Mr. S. left there was an extra spring in his step for now he knows that where there's a will there's a way.

Mr. Steppington's lawyer is to draft his client's new will and draw up the necessary documents pertaining to a trust he is setting up. He knows Old Colony will employ him on all legal matters that arise in connection with the administration of Mr. S.'s estate.

We at Old Colony welcome visits like this and invite you to come in any time with your clients.
